Judge Post Picked as Probable Winner at City Park.

HAS ADDED VALUE OF \$5,000

Poor Class in Various Events, with Favorites Taking Majority of the Races - Cobmosa Wins the Mile Selling Affair-Col. Brady Best in Four-furlong Sprint-Summaries.

New Orleans, March 15.—With good weather, it is thought that the City Park track will be crowded to-morrow when rack will be crowded to-morrow, when track will be crowded to-morrow, when the second Derby named in honor of the track will be decided. The race closed track will be decided. The race closed with nine starters. Good judges pick Judge Post as the probable winner. The event promises to be a good horse race from start to finish. The race has an added value of \$5,000, and is at one and one-quarter miles.

There was but little to the programme offered to-day. Most of the races were inder selling conditions, and a poor class of horses started in the various events. Morris was a 9-to-10 favorite, attracted most interest. She failed, however, to finish any better than third. Cobmosa won from start to finish.

Heart of Hyacinth, the favorite, won an to a walk at the finish. ured the fifth, winning eased up. Col. Brady proved the best in the four

furlongs selling affair, which opened the card, and won galloping from Antoine and Bitter Sir. Sincerity Belle was always best in the mile and one-quarter celling, and won running away. Corrigan's Begonia and Daly's Brait were supposed to have the soft end of the seven furlong split between them, but neither finished in the money. The winer turned up in Happy Jack, a 10-to-1

cantered over Jake Sanders, the wellplayed favorite, who finished a poor
third. The sport was marred with
rough riding. In the third Marco was
caught in a jam at the half-mile post
and went down. Jockey Skirvin got
a severe shaking up in the fourth.
Salmeda went to her knees soon after
the rise of the barrier, unseating
Jockey Riley. Both boys were able to
ride out their engagements for the
day.

The Texas Leaguers have been working
as hard as the majors, and considerable
improvement in them is to be noted. They
are mostly youngsters who get their
preparation in a hurry and go to greater
lengths in the early stages than do the
big leaguers. Hence it would not be surswere made possible by a donation from
James T. Woodward, president of the
Hanover Bank, of New York City, who
is a friend of the college.
